Working Together To Achieve Greatness

The mission of the Urban Choice Charter School is to provide Rochester students with a safe, supportive, and intellectually challenging educational environment. The central philosophy is that strong student-teacher relationships are essential to student motivation, engagement, and achievement. This philosophy, in combination with authentic efforts at family involvement, and the effective teaching of a rich, rigorous, and engaging curriculum, will enable students to build a strong foundation for college and career readiness, exceed state achievement standards and defy the demographic destiny of poverty.

The staff at UCCS will do everything we can to ensure your child receives a quality education.

- We will provide a rigorous curriculum backed by the latest technology.
- The needs of each child will be identified and addressed on an individual basis.
- We will communicate regularly through a variety of methods on all aspects of your child's education.

We wish to emphasize these points from our Community Handbook as an effort to help us accomplish the goal of successfully educating your child.

Please remember to:

- Provide parental and emergency contact information and keep it up to date throughout the year.
- Attend report card pick up twice a year.
- Send your child to school on time and on a regular basis.
- Visit the school:
 - Make arrangements to see a lesson at any time.
 - Call ahead to schedule a conference if one is needed.
- Volunteer whenever possible. (Notify Miriam Steinberg, the Parent and Community Engagement Coordinator; 288-5702 ext 254 or msteinberg@urbanchoicecharter.org)
- Ensure your child follows all school policies including dress code and behavior expectations.
- Participate in Friday celebrations, PTA sponsored events and other school functions throughout the year including Open House, Celebration of the Arts Day, and PTA meetings.

Thank you.

School Calendar

In general, Urban Choice Charter School calendar follows the same calendar as the Rochester City School District. All families are provided with a school calendar in our “parent information packet” distributed before the beginning of each school year. Additional copies may be obtained by requesting one from the main office or from our website.

ACADEMICS

Curriculum and Resources

The School follows NYS Common Core Curriculum guidelines in English Language Arts and Mathematics, and NYS Standards for Science, Social Studies and other subjects. Textbooks are used as resources and the majority of materials are traditional; however, engaging, hands-on, student-led, and centers-based instruction is highly encouraged and used by teachers. We also offer special elective subjects such as Art, Music, Physical Education, Library, Health and Home and Career Skills, Technology, and Spanish.

All classrooms have computers and Smart Boards. Many students use iPads or other computer tablets on a daily basis. Materials are abundant, and most classes have a variety of workbooks aligned with the curriculum. Projects are encouraged, as are field trips and other activities that reinforce critical thinking skills and engaged learning.

Assessments

Assessment and instruction are inseparable. Assessments must be comprehensive, ongoing, diagnostic, and tied to the school's learning standards. Urban Choice Charter School has adopted a comprehensive assessment strategy that will improve student learning and achievement, and will show the community how successful the school is. As detailed below, assessment starts before the very first day, through Dial 4 School Readiness Assessments given to Kindergarteners before the start of school.

In addition to grade level and subject specific assessments, the Urban Choice Charter School will employ the following assessments:

- **DRA** – The Developmental Reading Assessment (DRA) is a set of individually administered criterion-referenced reading assessments for students in Kindergarten through Grade 8. The DRA is intended to identify student's independent reading level, defined as a text on which students meet specific criteria in terms of accuracy, fluency, and comprehension. Additional purposes include identifying students' reading strengths and weaknesses, planning instruction, monitoring reading growth, and preparing students to meet classroom and testing expectations and providing information to stakeholders regarding reading achievement levels. It is given 3x per year to students in grades K-3, 2x per year in grade 4 and as needed in other grades.
- **SRI (Scholastic Reading Inventory) and SMI (Scholastic Math Inventory)** The **SRI** is a computer based reading comprehension test that assesses student reading levels, tracks students' growth over time, matches readers to text, and helps guide instruction. The **SMI** is a computer based mathematics test that provides a measure of students' readiness for mathematics instruction as well as a form of measurement that helps to guide instruction. Both are given four times per year to track progress.

- **New York State Exams** – NYS ELA and Math exams in grades 3-8 and Science in grades 4 and 8 are used to measure the extent to which individual students achieve the NYS learning standards in particular subjects and to determine whether schools, districts and the State meet the required progress targets specified in the NYS accountability system and in No Child Left Behind. These are given once per year in the Spring.

In summary, Urban Choice Charter School believes the primary role of assessments is to improve student learning. This will require measurements that are closely aligned with instruction, and are ongoing and authentic. We embrace useful assessment practices because they will ultimately help our students.

Placement

The goal of the classroom placement process is to ensure that each grade level has well-balanced classrooms in which all children will thrive and that any teacher would be happy to teach. For each classroom the following factors are considered:

- Consideration of teaching styles
- Balance of learning styles
- Gender balances
- Diverse student achievement levels
- Racial balances
- Students with special needs
- Student maturity and behavior levels
- Physical and/or health issues

The Leadership Team determines class placement at the beginning of each summer.

Counseling

Student support services are available to ensure students are provided access to physical, social-emotional and health services needed to be able to focus on learning in school. Urban Choice employs full- time New York State Certified Counselors and Social Workers. Services include individual and group counseling, character education, bullying prevention, behavior plans and referrals to community agencies.

Response to Intervention (Rtl)

These services are available to provide additional, supplemental, specialized instruction in areas of specific student need to increase learning. Students are identified through a variety of screenings and assessments such as the SRI and SMI tests and the New York State Testing Program. Urban Choice employs Literacy and Math coaches and an Rtl teacher to ensure learning targets are met by every student. Services provided include small group and individual reading and math intervention, and may include Saturday programs and Summer School.

Special Education Services

Teachers, parents, and students are all a critical part of the process to identify students who may have an educational disability. Referrals for evaluation for Committee on Special Education (CSE) are accepted by the Rochester City School District and follow up information is provided by parents and school staff. Special education programs and services to students with Individual Education Plans (IEP) or 504 Plans are provided on-site to students who qualify. Urban Choice employs full- time New York State certified Special Education Teachers that deliver Resource Room and Consultant Teacher programs. Related services for occupational therapy (OT), physical therapy (PT), speech and language therapy (SL/T) and others are provided on-site through therapists from the Rochester City School District.

English Language Learner (ELL) Services

Based on responses to the Home Language Questionnaire completed at registration and the results of an individual interview, your child may be given the New York State Identification Test for English Language Learners (NYSITELL). The results of the NYSITELL determine his or her level of English language proficiency and eligibility to receive English Language Learner (ELL) services.

METHODS OF COMMUNICATION AND ENGAGEMENT

PowerSchool

PowerSchool helps the school access and maintain student, staff, and schedule information. PowerSchool is used to facilitate student information management and communication among school administrators, teachers, parents, and students.

PowerSchool Parent Portal

PowerSchool Public Portal is a tool that is integrated into the PowerSchool Student Information System (SIS) that is specifically developed for parents and students. PowerSchool Public Portal gives parents and students access to real-time information including attendance and grades.

Class Dojo

Class Dojo is a behavior management and messaging system that every teacher at UCCS uses in their classroom. Students get green and red points throughout the day based on achieving behavior expectations. Teachers can send out messages to parents as well as receive them through the system and there is also a free app available for smart phones that enables parents to monitor their child's behavior during the day.

Community Circle Meetings

This is an opportunity for our staff and families to become better acquainted and also for families to understand and participate in the workings of the school. The purpose is to initiate and strengthen the union between the school and its families. Please check the calendar on the school website, the monthly newsletter and notices coming home with your student about the dates.

E-mail, Telephone and School Messenger

We encourage parents and guardians to call or e-mail teachers and staff members as a means to communicate information or concerns. Staff e-mails are available on the school website. School Messenger is a parent notification system that can send out mass texts, e-mails or phone calls to keep parents up to date on school closings and other school events.

Parent Conferences

If your child has any academic or behavioral concerns, the teacher may ask to hold a parent/teacher conference. The teacher will send home a Parent Conference Summary form summarizing the conference and if necessary, request a consultation for further discussion and resolution.

Progress Reports and Report Cards

UCCS has mandated report cards pick up dates in November and February. Progress reports are sent home four times a year and provide parents with student progress for the first five weeks of

the marking period. Updates are reflected in the report card grades that follow, which also show attendance and conference requests.

Portfolios

Teachers keep electronic portfolios which have samples of a variety of student work in the classroom for parents to view. These give parents a snapshot of classwork and are available upon request.

Website

Our website, www.urbanchoicecharter.org, is updated to provide you with the most current information on our school. Staff phone extensions and email addresses, as well as board meeting dates are posted.

Open Door Policy

We welcome our parents and guardians to visit classrooms during the day. You may arrange a visit with your child's teacher. For safety reasons, visitors are required to sign in and out at the Main Office.

Parent Satisfaction Surveys

Urban Choice seeks information from parents regularly regarding their satisfaction with teachers, staff, instruction, and the school as a whole. A "parent satisfaction survey" is sent home two times per year. This gives parents and guardians the opportunity to voice their opinions.

PTA

The PTA is another avenue for parents to get involved with Urban Choice. They meet several times a year to plan events and work on ways for parents, students and staff to stay informed and involved. Please contact UCCSPTA@gmail.com to get involved.

Board of Trustee Meetings

The Board oversees and governs the school. There is a parent representative on the Board of Trustees. We welcome all parents and guardians to attend board meetings. They are held on the first Thursday of most months at 6:00 p.m. Dates and times can be found on our calendar, website and in our newsletter.

Monthly Newsletter

Once a month a school newsletter is sent home to all families. The newsletter can also be found on our website. It contains important announcements, information and news about the school.

SCHOOL POLICIES AND PROCEDURES

Admissions and Enrollment

All student enrollment questions should be directed to the Student Enrollment Coordinator. The Student Enrollment Coordinator is available during school hours Monday-Friday at 288-5702

Absence Notification

All parents should call by 9:00 am if a student will be absent. Please leave or list your child's name, your relationship to the child, and the reason for and date(s) of the child's absence. Calls should be made as far in advance as possible and may be left on the school's main voice mail if necessary. If a student is not in class and the school has not been notified that he or she will be absent, his or her parent or guardian **will be called at home and/or work**. Questions regarding student attendance records should be directed to the Main Office.

Student Absences/Tardies and Consequences

Students who miss too many days of school will have a difficult time reaching the expected academic standards. Parents need to make sure that students who miss school days do so for legitimate reasons, such as doctor or dentist appointments.

All students must arrive in their respective buildings no later than 8:30am. Students arriving after 9:00 am are considered tardy. Any student arriving after this time must report to the Main Office of their respective building for a pass to class. They will not be allowed in class without a pass.

Walkers/Drop-Offs/Pick-Ups

We do not offer before or after school care. It is important that families make arrangements for the timely arrival and pick up of their children. Students will not be allowed to enter their respective buildings prior to 8:30am.

Attendance Policy: Benchmarks and Consequences:

PBIS

Urban Choice Charter School utilizes Positive Behavioral Interventions and Supports (PBIS) which provides for teachers and staff a decision making framework that guides selection, integration, and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students. Rubrics are posted within the

classroom and are available for review by parents and administration as well as students throughout the course of the day. When behavior violations occur, teachers will implement their respective protocol.

When a staff member sees a student exhibiting extraordinary good behavior they may give the student a **3 Be's Ticket**. These cards are collected by the classroom/homeroom teachers and placed in a drawing for daily drawn prizes as well as monthly "larger" prizes.

As part of the PBIS program, we have established several clear expectations for the behavior we expect in all areas of our school. Our school-wide expectations are **Be Safe, Be Responsible, and Be Respectful**. We will explicitly teach those expectations to the students and reward them frequently with positive notes and prizes for their great behavior. The expectations for all student behavior will be clear throughout our buildings, playground area, cafeteria, rec space, bathrooms, classrooms, and buses. You will be able to ask your student, "What are the expectations in your school?" "How do you follow those expectations?" "What happens when a teacher sees you following those expectations?"

We believe that by helping students practice good behavior, we will build a school community where all students have an environment where they can succeed and grow.

All students are offered free meals (breakfast, lunch and snack) every day in accordance with UCCS policy and the school's participation in the Community Eligibility Option program. Families are still asked to complete and submit Family Meal application forms on an annual basis so that the school remains in compliance with federal and NYS requirements.

HEALTH OFFICE

Urban Choice Charter School contracts with Monroe #1 BOCES to provide school nursing services to all students. The primary objective is to identify health issues that are barriers to learning, and to assist in their resolution. Our staff will guide your child towards healthy habits that promote optimum attendance.

Health Office staff will maintain medical records, monitor compliance with New York State mandated immunizations, provide vision, hearing, and scoliosis screenings, address complaints of illness, provide first aid, and are trained to identify and treat emergency situations. Referrals are made to community agencies for student's needs and educational materials are provided as necessary.

Medication can be given to a student during school hours if a doctor's order and a signed parent permission are obtained. An Adult must bring the medication to the school nurse in the original prescription container. Due to safety concerns, a student may not carry any medication.

Students interested in sports team participation must have a current physical and proper paperwork to "self-administer" any needed medications during the sporting season.

Urban Choice Charter School asks that parents keep a child home who exhibits one or more of the following symptoms: fever, vomiting, diarrhea, difficulty breathing, severe coughing, and a rash or hives of unknown origin. A student may not return to school until they are free from vomiting, diarrhea, or fever for 24 hours, or a doctor's note has been provided if requested. We require an antibiotic that has been prescribed for any contagious illness be in the student's system for a minimum of 24 hours before returning to school.

Health Office Staff will provide communication to parents of injuries and illnesses that occur during the day by phone call or note home. We ask that parents and guardians keep the school updated with working phone numbers so they may be reached, especially in case of an emergency. Be sure to make the Health Office know if a child has allergies, asthma, or any other medical condition that can affect their performance at school.

SCHOOL SAFETY

Implementation of School Security

All school personnel are fingerprinted. Urban Choice Charter School utilizes electronic monitoring devices, including motion sensors and video surveillance units, to enhance the security and to monitor the school. Interactive video/audio units assist in monitoring the individuals requesting access. The entry system allows the school receptionists control over entry. Upon identification, the receptionist or designee provides access to the school by remotely disengaging the lock on the door. **Everyone (visitors, parents, etc.) who enters either building must sign-in at the school reception desk.**

THE DIGNITY FOR ALL STUDENTS ACT (DASA)

New York State's Dignity for All Students Act (The Dignity Act) seeks to provide the State's public elementary and secondary school students with a safe and supportive environment free from discrimination, intimidation, taunting, harassment, and bullying on school property, a school bus and/or at a school function.

The Dignity Act was signed into law on September 13, 2010 and took effect on July 1, 2012.

Urban Choice has a DASA coordinator and team to oversee the implementation of the law.
