Urban Suburban Program

<https://www.monroe.edu/domain/122>

585-249-7045

- The application form is now available for the 2019-2020 school year. You can get it at the link below:
<https://www.monroe.edu/site/handlers/filedownload.ashx?moduleinstanceid=13565&dataid=29434&FileName=Application%20with%20New%20Letterhead%202019-20fillable.pdf>
or by calling the office at 585-249-7045.
- All Applications must be completed and postmarked by Friday, February 8, 2019.
- Students must be residents of the City of Rochester, and must be in grades PreK-8 at the time they apply.
- Selection and placement for the program occurs once a year, at the conclusion of each school year. In order for a student to be placed, first and foremost there must be classroom space available in the receiving suburban district. Students are selected to participate in the program following a district level review of student report cards, test scores, attendance records, teacher comments and an interview with the student, parents, school administrator (usually the principal) and Urban-Suburban staff.
- After the interview is complete the administrator (usually the principal) will determine whether or not a student is offered placement.
- Parents apply to the program not a specific district. There is no waiting list or sibling preference for selection in this program and placement is not based on first come/first serve. All applications are reviewed each year and selected on their own merit.
