Dear UCCS Families:

The New York State Education Department's Charter School Office (CSO) supports the Board of Regents' Oversight Plan for each Board of Regents-authorized charter school. As part of its oversight processes, the CSO conducts mid-term site visits, generally to schools in their 3rd year of a full 5-year charter term, or at the mid-point of shorter charter terms.

A CSO team, usually comprised of two to three members, will conduct a mid-term site visit at the Urban Choice Charter School in the next few months. As part of its evidence gathering, the CSO values your feedback, as a parent of a student attending this charter school.

To hear from all parents, we request participation in an anonymous parent survey. To complete the brief survey, please go to: <https://www.research.net/r/nysedcsoparentsurvey> and enter the password: **CSOParent. Please select the accurate charter school name.**

This survey can only be completed online. It will take approximately 10-15 minutes to complete and must be completed in one sitting, as you cannot save it and return to it later. Survey results are due to the CSO by 3:00 PM on March 8, 2019.

Thank you for your participation in this survey. We greatly appreciate your valuable feedback.

The New York State Education Department's Charter School Office

Urban Choice Charter School will have laptops available for your use during our Parent/Teacher Conferences on Wednesday, February 13, 2019. UCCS will also have laptops available throughout the next three weeks. It is important for all parents to participate in this survey. Your input is extremely important to this process and we need as many parents as possible to participate.

If you have any questions or encounter any problems, please feel free to contact me. I appreciate everyone's help in this matter.

Sincerely yours,

Lynn M. McCarthy
